

Dave & Nancy Cary on Compassionate Care Video- Kaiser Permanente®

Dave:

A friend in Australia asked what's the secret to a happy marriage, and my answer was Nancy [inaudible 00:00:08].

Nancy:

We live a very lucky existence. We really love to bike. We love getting out in the woods and hiking.

Dave:

All of it, of course, is dependent on being somewhat healthy. And for that, our gratitude is to Kaiser for what they've been able to do for us, a very nice relationship with the primary care physician. There's a sense with Kaiser that they care. They aren't just treating you. That's the kind of medical care I want.

Nancy:

I think they've saved both of their lives at least once. So it's hard not to recommend them. I was very pleased with the care that Dave had gotten from Kaiser. So, that's one reason I switched. I can't think of a single part of the team that's fallen short. They treat you as family members.

Dave:

The comprehensiveness of what's available to me in one location makes it especially convenient, and we enjoy the quality and the character of the people at Kaiser. That's just amazing. I would highly recommend Kaiser Permanente. I get some comfort from knowing that I'm with this remarkable organization. It makes life much easier.
