

John Hawkins Video Transcript- Kaiser Permanente®

John Hawkins: Well, look, I'm a member of Kaiser Permanente. I've been there for 35 years. I love Kaiser. They've been there for me, for my wife, for my children, my grandchildren. The cost is excellent. The help is excellent. The doctors and nurses, they're excellent. Anything I have needed health wise, Kaiser has been there. They're just like family. They're there and they're great.
